

RYDE SCHOOL
WITH UPPER CHINE

FORCES FAMILIES at Ryde School

An Island School with a global outlook.

At Ryde School, we have a long and proud history of supporting families who serve in His Majesty's Armed Forces and Diplomatic Services. We understand that a service life presents unique challenges, particularly when it comes to providing a stable and continuous education for your children.

For families in receipt of the Continuity of Education Allowance will:

- pay £1,237 per term for 2025/26 for full boarding, inclusive of VAT.
- receive up to 40 single journey HoverTravel or Wightlink Fast Cat tickets per academic year.
- costs for compulsory school trips are included in the package.

We aim to provide transparency and affordability, ensuring there are no financial surprises.

Boarding at Ryde School is for those joining the senior school in Years 7 to 13 although if there is a sibling in Year 6 this will be considered.

For the academic year 2025/26

"Sending our son to Ryde was the best decision we've made. The school provides the stability he needs when we are posted overseas. We know he is not just receiving an excellent education, but is genuinely happy and cared for. The communication from the houseparents is fantastic and gives us complete peace of mind."
